Re: *Sooroojballie v. Port Authority of New York & New Jersey*
15 CV 1230 (WFK)

Dear Judge Kuntz:

I am co-counsel, with Marjorie Mesidor, Esq., for Plaintiff.

On June 4, 2020, the Court of Appeals upheld in part this Court's Rule 50(b) order, largely affirming the verdict on liability. The Court also ruled that the damages award for pain and suffering was excessive, and it "grant[ed] a new trial as to Sooroojballie's emotional distress damages unless he accepts a remittitur of the award to \$250,000." (Decision at 18).

I am writing to formally advise that Plaintiff will accept the remittitur in the amount of \$250,000.

Very truly yours,

Stephen Bergstein
